

Volunteer Talents & Skills Survey

Shenango Valley Faith Academy is successful because of our families! We need ALL of our adults to participate in order to make the school year as rich and as full as possible for all the students. To achieve this, we need each family to COMMIT to volunteer an average of 2 hours a month. Volunteering your time is an inexpensive way to meet the needs of our school, make an effective contribution to your child's school experience, and show your child that you value their interests.

We hope that each adult in a Faith Academy student's life would VOLUNTEER for something with a WILLING spirit. Without volunteers like you, many of these events and activities would not be possible.

ALL help is greatly APPRECIATED. You can help during the day or at night. We welcome and need all of you to help make this a successful year for our children.

This year we will be using Volunteerspot.com, an interactive website where you can sign up for events and days we need volunteers. The great part is that you do not even need to register! If you check the box for "Please add my email address to the Volunteer Mailing List", we will email you when we add a new activity that needs a volunteer. We will also give you the direct link to sign up for an activity in our Wednesday Weekly, the weekly newsletter. If you do not wish to use the internet to sign up for activities, you can still contact us to inform us in what area to wish to volunteer. This website will also be used for assistance in certain fundraisers.

All volunteer hours will be tracked and a detailed report will be sent to you with your monthly account statement. Families who fail to volunteer may be requested to be a fee.

*If you have more than one child in the school, please complete this form only once and return to the school.
Note – this form will also be used to develop a school family directory.*
